**A humble appeal to the parents**  
**For the success of your children & as your well-wisher,**  
**I have established Sri Raama Inter,**  
**NEET & JEE Academy in Miyapur**

**Dear Parents,**

**Greetings from Sri Raama Academy.**

As you know, for the past 12 years, I worked as Regional Director at SriGayatri Educational Institutions, one of the reputed corporate colleges. The Management of **SriGayatri** was changed last year. I have established **Sri Raama Educational Academy** in Miyapur with the request of hundreds of parents, over 2 decades of experience and the history of creating hundreds of rankers.

I aspire to work relentlessly to impart conceptual education to the Inter students and deliver top quality NEET & JEE coaching.

**Hence, I request you to kindly support me in my endeavour.**

**Sri Raama After 10th. Sri Raama For Inter.**

Inter is the key turning point in the lives of millions of students for their bright future. Selecting appropriate group in Inter determines their career path (Engineer, Lawyer, Doctor, CA) in the future. Not just that, in today's hitech world, technology has evolved enormously. Now-a-days, almost every competitive exam is being organized through online platform which were once conducted in offline mode. Owing to this shift & lack of technical awareness, many talented students who prepared well couldn't perform better in the exams. In this scenario, Sri Raama has identified the necessity and importance of online practice for inter students. Hence, on the first-day of admission itself, we give tab for every student with ID & Password for our portal. In addition to the classroom teaching, we are providing topic wise video lessons, PPT & PDF format educational material for Maths, Physics, Chemistry and Biology. There is also a provision to assess the learning with the aid of objective type questions categorized into easy, moderate & tough levels. After the practice session, a quiz with 20 questions will appear. With the help of this methodology, students can take advantage during their holidays and improve their skills & knowledge. Besides this, we are also conducting online model exams for IIT-JEE Mains, Advance. Sri Raama is the first institute to deliver comprehensive technology-enabled education along with Inter. This is exactly why, Sri Raama is renowned as Updated Version of IIT-JEE, NEET, CLAT, CA coaching.

*Congratulations to all students who have accomplished their dreams*  
*Heartfelt thanks to the parents for having faith in us & admitting their children into Sri Raama Academy*

**Sri Raama Key Attributes:** Senior & expert faculty for NEET & JEE • Concept-oriented teaching & quality coaching • We will be providing study material • Study hours by senior faculty • Subject wise worksheets, doubts clarifications everyday • Daily, weekly, monthly grand tests • Counselling & motivational training for academically backward students • Limited admissions, personal focus on every student • Advanced teaching methodology as per new educational pattern & online competitive exams • Dedicated time for Indoor games every evening • Tasty, hygienic and healthy food • Hot water & mineral water facility • Amicable care takers & support staff • CCTV surveillance for continuous supervision

**CLAT CLAT :** (Common Law Admission Test) is a national-level competitive exam for 5 years LL.M & LL.B Integrated course. After successful completion of this course, students can become lawyers in future. There is a lot of competition for CLAT. Sri Raama is offering comprehensive coaching with experienced faculty for CLAT.

**CA Foundation :** There are lot of opportunities in Government & Private sector for students who have completed CA course. Salary for these professionals will be in lakhs. CA used to be very tough in the past, but now all papers are in the format of objective type and syllabus is also comparatively reduced. That is why CA has become little easier. At Sri Raama, we are offering CA Foundation training with experienced faculty.

**Online practice and weekly online exams from the first day for JEE & NEET students in addition to the classroom teaching program**
